Sir:

In response to the Official Action dated March 7, 2005, please amend the above-referenced application as follows.

Please amend the claims as follows:

1. (Cancelled)
2. (Cancelled)
3. (Cancelled)
4. (Cancelled)
5. (Currently amended) The method of claim 423 wherein said video conferees are located between approximately 2 to 8 feet from each of conferee's video cameras.
6. (Original) The method of claim 5 wherein the video images of each first and second conferees as appearing upon said second and first video monitors at second and first conference locations, respectively, are approximately the size of said conferees.
7. (Current amended) The method of claim 423 wherein each of said first and second video cameras are characterized as having a length along its optical axis and a lens diameter perpendicular thereto.
